

# WWG Preschool Early Learning Scholarships

The Westbrook Walnut Grove Preschool is a Four-Star Parent Aware Rated Early Childhood/Preschool Program in the state of Minnesota. Along with this rating comes the opportunity for families to qualify for early learning scholarships.

On Wednesday, August 31st, Karen DeBoer, Region 8 Early Learning Scholarship Administrator, will be at the Walnut Grove School at 5:30 pm to discuss and walk parents through this application. It should only take about ten minutes to fill out. Families who qualify will receive a scholarship grant, which will cover the cost of the WWG Preschool Program for the 2016-17 school year. Parents who qualified last year will need to fill out some paperwork to continue on from last year.

I will have staff on hand to take preschoolers to one of the preschool rooms to play while moms and dads listen to Karen's presentation. Then at 6:00 pm, we will start with the preschool orientation, which was previously scheduled.

I hope everyone can make it at 5:30 pm for this very important scholarship information! If you can't make it, please call Mr. Olson at 507-859-2141, and we will set up a time to meet and get your application filled out. Please help me get the word out about the WWG Preschool Orientation and Scholarship meetings on Wednesday, August 31st, starting at 5:30 pm at the Walnut Grove School. We have it posted on our WWG High School and Elementary webpages and our ECFE face book page. We will also send it out to all parents on our JMC list.
