News

Daylight savings time begins March 8- don't forget to spring ahead an hour!

Conferences are March 23 and 24, from 4:00 to 7:00. Call for a time, or just pop in to see me!

Class- (507)-859- 4067
Number

This month we will incorporate a little more science in than usual while testing our senses. We will talk about healthy eating habits as well as the importance of exercise. One day in March the 3 day class will get to ride to WB to tour the hospital. (More information on that to come)

Hopefully we can catch a Leprechaun this year! ;) If not we will just have to have fun with all the imaginative characters Dr. Seuss has come up with for us to enjoy!
